EMERGING DESIGNER AWARD COMPETITION PROCESS

22. The Melbourne Cup Carnival Fashions on the Field Emerging Designer Award Final will be conducted both digitally and physically.
23. The Promoter will select the judging panel for the Melbourne Cup Carnival Fashions on the Field Emerging Designer Award Final and each validly entered Finalist of the Competition will have their Outfit, Final Images and Video Diary judged based on the following judging criteria (**Selection Criteria**):
 - a) **Creativity** - A unique design that showcases an imaginative and innovative look unlike anything ever seen in this fashion category. Colour, texture, cut and the inclusion of accessories will all form part of the judging criteria in this section.
 - b) **Excellence in Manufacturing** - Skill demonstrated across design, technique and craft of construction, showing an eye for every detail.
 - c) **Design Vision** - The ideation behind the submission is a critical part of the design process and our judges will be getting underneath the development process and vision. Getting to know how the designer thinks, plans and brings their creations to life is just as important to our judges as the creations themselves.
 - d) **Sustainability** - The VRC supports and encourages sustainability in the sourcing, manufacturing and design process and the minimisation of their impact on the environment.
24. From the Finalists, the judges will select a 2023 Emerging Designer Award Winner, a Runner-Up and a Second Runner-Up (**Prize Winner/s**). The Prize Winners will be announced in a live broadcast on Penfolds Victoria Derby Day on 4 November 2023 and notified via email by the Promoter.
25. The judges' decision is final and binding on every Entrant and no correspondence will be entered into.
26. In the event of a draw, the Promoter's adjudicator (a VRC representative) will determine the winner.
27. The Emerging Designer Award is a game of skill. Chance plays no part in determining the winners. All entries will be judged individually on their merits based on the Selection Criteria. The judges may also rank additional entries as Runner-Up, Second Runner-Up and so on in case the first chosen winner is ineligible to receive their prize.
28. Any Entrant or model not complying with these Terms or otherwise acting in a manner that may be harmful to the Promoter's reputation may be immediately disqualified by the Promoter's representative at their ultimate discretion.

If a prize becomes unavailable for reasons beyond the Promoter's control, the Promoter may substitute a prize of equal or greater value, subject to any written directions from the lottery authorities.
33. The total maximum prize value is correct at the time of printing. The Promoter is neither responsible nor liable for any change in the value of prize occurring between the printing date and date the prize is claimed. All prize values are in Australian dollars.
34. All prizes remain the property of the winner once awarded. No interest in a prize may be granted or transferred to a third party by a winner.
35. If applicable, models appearing on behalf of Entrants are not entitled to prizes, unless by arrangement between the Entrant and the model. Any such arrangements are strictly between the Entrant and the model. The VRC, its sponsors and contractors are in no way responsible for any disputes that arise between the Entrant and model in respect of any prize and the arrangements between the Entrant and model.

36. If for any reason, the Promoter becomes aware after an Entrant has won a prize that the Entrant has not complied with the Terms or that their entry is otherwise invalid, that Entrant will have no entitlement to that prize, even if the Promoter has announced them as the winner and that Entrant will be required, at the direction of the Promoter to return, refund or otherwise make restitution of the prize.
37. All accommodation prizes must be taken exactly as specified by the prize supplier and these Terms and Conditions (including the Prize Schedule), unless the Promoter or prize supplier advises otherwise. Accommodation prizes are subject to availability.

40. If the Prize involves a winner attending an event, if any part of the event is abandoned, called off, varied or postponed for any reason, at the Promoter's discretion, including but not limited to, due to COVID-19 or related circumstances, the relevant winner (and their companion(s), if applicable) forfeits all rights to attend the relevant event and no cash or alternative tickets will be substituted for that element of the prize. If the event is varied or postponed, the Promoter, where reasonable, will try to vary arrangements to allow the winner (and their companion(s)) to attend the varied or postponed event (unless doing so would involve additional costs to the Promoter).
41. The Promoter takes no responsibility for any negative encounter experienced by a Prize Winner including but not limited to cancellation, changes or delays of flights or other transport arrangements, cancellations or postponement of an event, inclement weather or any illness experienced by the winner. Any costs incurred as a result (including accommodation costs) are the sole responsibility of the Prize Winner and no substitute prize or compensation will be offered under any circumstances.
42. Once a prize has been claimed by the Prize Winner and has been collected, or if arranged between the Promoter and the winner, has been delivered or collected from the Promoter's premises, the Promoter takes no responsibility for the prize being damaged, delayed or lost in transit.
43. If the prize(s) is provided to the Promoter by a third party, the prize is subject to the terms and conditions of the third party prize supplier and the provision of the prize is the sole responsibility of the third party and not the Promoter. The winners of each prize agrees that the Promoter will not be responsible or liable for the failure of a third party prize supplier to provide all or any part of the relevant prize. To the extent of any inconsistency, the terms and conditions of the prize supplier will prevail over these Terms and Conditions of Entry.
44. Where a Prize is a TCL product or package, the Entrant agrees that the product or package will only be delivered to an address within Australia or New Zealand. TCL will use their best endeavours to deliver the package as soon as possible following the announcement of prizes, however, this may vary depending on the shipping location.

Tabcorp supports responsible gambling and the award of a Tabcorp voucher as a prize is not intended to induce, suggest or imply that the prize winner should open a betting account, that winning will be a definite outcome of participating in gambling activities or that participation in gambling activities is likely to improve the winner's financial prospects.
